Dear Friend May—

Many are delighted at the prospect of your return to the post you have so long & ably held. None will be more glad than myself, both for yourself & all others.

Mr. Phillip wished me to notify you that ~~he would~~ ~~not~~ ~~be~~ ~~in~~ ~~my~~ ~~power~~; and ^{he} hoped he would bring the question of his appointment before the Board at the first Meeting.

The enclosed letter of Powell's may be of no use to you, but I enclose it. It came into my hands at a Home Meeting.

Partly but heartily yours,
Samuel Phillips.
